

# Hull Unitarians

Nurturing faith ~ Embracing life ~ Celebrating difference

## MAKING MEANING SEMINAR

October 7, from noon until 2 pm.

# On being caring

Are you a paid carer in the community or in a hospice?  
Do you care for a relative at home?  
Have you benefitted from care?

We invite you to come and to share your thoughts.

Lunch is provided at noon, but please RSVP by October 5 so that we can cater (advise any dietary needs).

We will gather for worship at 11 am and the theme will be 'spiritual caring'. If you have not seen how we worship:

- We do not tell you what to believe.
- We present thoughts for you to consider.

You are welcome to join us either for worship at 11, or for lunch at noon, or to take part in our discussions from about 12.30.

*Hull Unitarians aspire to be a **caring** spiritual community. We decided on the word **caring** as part of our commitment to each other after we considered alternatives including 'loving' and 'compassionate', because we thought that caring implies being active.*

*It can be hard to be a carer and for some it is hard also to be able to accept the care others offer.*

*We want to share our experiences in order to better understand how we can achieve our aspiration to be a caring spiritual community.*
